

## Angle-Adjustable Kick Drum/Guitar Amp Stand

### JS-KD55 item# 17451

The JS-KD55 is a low-profile mic stand that fits just about anywhere your kick drum or guitar amp might end up. The v-shaped base allows the JS-KD55 to be set around corners or close to other stands and equipment without getting in the way. Adjustable from 15.5" to 21" in height, this low profile, weighted base mic stand is a discrete, reliable solution for the stage or in your studio.
