

Round Base Microphone Stand

JS-MCRB100 item# 16793

When you're performing on stage, you need a mic stand you can rely on. The JS-MCRB100 Round Base Mic Stand resists tipping and is built tough to withstand everyday use. The powder-coated finish is scratch resistant to maintain its appearance, even on the most rigorous tour schedules. Easily adjust the Round Base Mic Stand to perfect height with the traditional turn clutch.
