

Apex Series Black & Silver Column Keyboard Stand AX-48 Pro B & AX-48 Pro S

APEX Series Keyboard Stands represent over two decades of research and development and are used all over the world by gigging keyboard players and touring musicians. The AX-48 Pro Plus bundle includes the venerable AX-48 Pro (Black), AX-48 Pro Mic Boom, and AX-48 Pro Tote. APEX Series keyboard stands bring iconic style to any setup, and are intended to shine the spotlight on keyboard players while securely supporting their prized instruments.

Cable Clips

Adjustable cable clips attached to the center back side to keep your cables organized.

Two Tiers

The top tier has 13" long arms and the bottom tier arms are 18" long. The tiers are clamped onto the column of the keyboard and can be adjusted up or down.

Stable and Adjustable

At the base of the stand is a stabilizer for securing the column keyboard stand in place. A small clip for lowering the stand for larger keyboards is found at the front base of the column.

Compact & Portable

The arms and the legs can be stored inside the column body of the keyboard stand. A handle is also included for easy transport and storage.
