## Instructions for Assembling Right 24" Extension and Side Leg with Core Table

### Included Parts with the 24" Extension - BOX 6

	24" Extension Table Top - Right	x1
--	---------------------------------	----

### Additional Parts Needed from other boxes - BOX 1, 2 & 8

	Assembled core table with legs (Instructions for assembling core table and legs are included in box 1 & 2)	x1
	1/4 - 20 x 5/8" Pan Head Screw (Included with core table and side leg, box 1 & 8)	x16
	Assembled side leg (Instructions for assembling side leg are included in box 8)	x1

Lay 24" extension face down with holes facing up. Place assembled side leg on 24" extension and line-up all eight holes. Attached table top and side leg together with eight pan head screws (1/4 - 20 x 5/8").

Slide the 24" extension onto the three dowel rods and line-up holes with the two brackets on the core table. Use the eight pan head screws (1/4 - 20 x 5/8") that came with the core table assembly (Box 1) to attach 24" extension.
