

ULTIMATE S U P P O R T™

THE STRENGTH OF INNOVATION

LIVE MIC STAND

The perfect performer stands for 20 years...innovation, reinvented.

Ergo, one-handed clutch holds better than any other one-handed stand. Give your mic attitude. Ask about our optional custom mic tops.

STANDARD HEIGHT / STACKABLE WEIGHTED BASE

Rev. 1 03.16.09 . Hang Tag Item #17206T

FEATURES OF LIVE-SB

New And Improved “Ergo” Clutch - The new ergonomic handle feels great in your hand and is so easy to use.

Patented Universal Mic Attachment - Top threads fit both US- and metric-threaded mic clips and accessories.

Aluminum Construction - Durable, anodized aluminum construction creates a strong, ultra lightweight stand preferred by lead singers.

Sturdy Weighted Base - If you prefer some weight, select a strong, die-cast weighted base in two stable options: standard or stackable. Stackable base cut-out allows up to six stands to stack in the footprint of one for convenient storage and transport.

Customizable - Retro fit any of the NEW Custom Mic Tops onto any of the Live Series stands with full functionality for your own unique style.

Limited Lifetime Warranty - This product is constructed of the finest materials and backed by our award-winning customer support. For full details, exclusions, and limitations, as well as information on obtaining warranty service, visit www.ultimatesupport.com.

INSTRUCTIONS FOR SETTING UP THE STAND

1. Screw shaft into weighted base. Live Series shafts and weighted bases are interchangeable.
2. While squeezing the trigger, raise or lower the clutch/upper shaft to your desired height. Release the trigger and the internal lock engages for a secure and reliable hold.
3. Choose US or metric mic attachment and place mic on stand, then turn MIC-Lock.

Visit www.ultimatesupport.com to download a detailed product manual, read full warranty details and to register your warranty.
