

ULTIMATE SUPPORT™

THE STRENGTH OF INNOVATION

PRO MIC STAND

Road-worthy, compact stands designed for the gigging musician.

Heavy-walled, oversized steel tubing is super strong. Clutch is quick, fast, smooth, and noise-free for easy adjustment. Stand base moves up the shaft and legs fold down for compact storage.

FEATURES OF PRO-T

Patented Universal Mic Attachment - Top threads fit both US- and metric-threaded mic clips and accessories.

Secure Clutch - Our clutch is fast, secure, and reliable. It locks up smoother and quicker than any other clutch on the market. Now with dual overmolding for a secure grip.

Durable Construction - We use thick steel tubing and rubber foot caps that won't fall off.

Heavy-duty Finish - Strong coating resists rust and scratches.

Stable Tripod Base - Pro stands feature heavy-duty tripod bases with strong legs that securely snap into place and oversized foot caps that won't fall off.

Limited Lifetime Warranty - This product is constructed of the finest materials and backed by our award-winning customer support. For full details, exclusions, and limitations, as well as information on obtaining warranty service, visit www.ultimatesupport.com.

INSTRUCTIONS FOR SETTING UP THE STAND

1. Loosen z-knob at base, slide base down, tighten z-knob, and lock legs into place.
2. Turn the ergonomic Patented Quarter-Turn Clutch a quarter turn and adjust stand height up or down. Securely retighten clutch.
3. Choose US or metric mic attachment and place mic on stand, then turn MIC-Lock.

Visit www.ultimatesupport.com to download a detailed product manual, read full warranty details and to register your warranty.
