Rihanna Goes On Tour with APEX AX-90!

Loveland, CO, DATE – Ultimate Support, the world’s leading innovator of unique music accessories, is pleased to announce that the APEX AX-90 will be joining Rihanna on her 2010 “Last Girl on Earth” tour!

Hannah Vasanth is an extraordinarily talented keyboard player, song writer, and producer who has worked with the likes of Anastacia (European Summer Tour 2009), Daniel Merriweather, ABC, Will Young, Jon Lord (Deep Purple), David Jordan, Bugz in the Attic, Gnarls Barkley, and many others. Hannah is showcasing her Yamaha keyboards (and her talent) by using two APEX AX-90 keyboard stands on the 2010 “Last Girl on Earth” tour with Rihanna.

"Sturdy and reliable, Ultimate Support stands complete my rig and look right at home on any stage around the world," says Hannah Vasanth, Keyboard Player for Rihanna. "Thanks Ultimate!"

The APEX Series Keyboard Stands represent over two decades of research and development and are used all over the world by gigging keyboard players and touring musicians. The AX-90 offers everything keyboard players loved about the original APEX keyboard stand while offering a sleek new design and updated features that support a whole new generation of keyboards. The APEX Series is the finest looking keyboard stands on the market, and are intended to shine the spotlight on keyboard players, while securely supporting their prized instruments.

About Ultimate Support Systems, Inc

Since its inception in 1977, Ultimate Support has become the premium accessory choice of the pros, dealers, and end users alike, by offering innovative designs and strong products – accompanied by superior customer support – geared to meet the ever-evolving needs of musicians, sound contractors, venues, and recording studios. Ultimate Support’s artist roster includes chart-topping acts from Tim McGraw to The Killers to Buddy Guy; it is the official accessory company of the House of Blues and Hard Rock Live Orlando, and throughout many seasons of American Idol on Fox, Idol performers have repeatedly depended on the same Ultimate Support One-Hand Microphone Stand. Additionally, Ultimate has forged strategic, OEM manufacturing/design partnerships in the past with numerous industry corporations such as Roland, Yamaha, Bose, and JBL.
