ULTIMATE SUPPORT EXPANDS JAMSTANDS LINE FOR 2010 HOLIDAY SEASON!

Loveland, CO, April 20, 2010 – Ultimate Support, the world’s leading innovator of unique music accessories, is pleased to announce plans to expand the JamStand line of music accessories in time for the 2010 holiday season.

JamStands by Ultimate Support is the best choice in durable, innovative, long-lasting stands and accessories for the budget-conscious musician. With JamStands, Ultimate Support’s industry-leading design team has developed the perfect assortment of stands and accessories for students, hobbyists and professionals alike. The wide range of JamStands choices include guitar, amp, keyboard, DJ, live sound, band, orchestra, and sheet music stands, all offered by Ultimate Support Systems — a known and trusted brand for over 30 years.

“Our JamStands line has done extremely well for us up to now, and we’re excited to expand the line and bring to market several more great stands that musicians of every walk of life can use,” said Mike Belitz, Owner and CEO of Ultimate Support. “We plan to announce and ship these products in time for the holiday rush, and right into Q1 of 2011!”

For more information regarding the JamStands, please call 1-800-525-5628 or visit www.ultimatesupport.com.

About Ultimate Support Systems, Inc

Since its inception in 1977, Ultimate Support has become the premium accessory choice of the pros, dealers, and end users alike, by offering innovative designs and strong products – accompanied by superior customer support – geared to meet the ever-evolving needs of musicians, sound contractors, venues, and recording studios. Ultimate Support’s artist roster includes chart-topping acts from Tim McGraw to The Killers to Buddy Guy; it is the official accessory company of the House of Blues and Hard Rock Live Orlando, and throughout many seasons of American Idol on Fox, Idol performers have repeatedly depended on the same Ultimate Support One-Hand Microphone Stand. Additionally, Ultimate has forged strategic, OEM manufacturing/design partnerships in the past with numerous industry corporations such as Roland, Yamaha, Bose, and JBL.
