LIMITED LIFETIME WARRANTY

Rev. 1 10.27.09 . Hang Tag Item #17357T

FEATURES OF TS-110BL

Air-powered Telescoping Mechanism - TS-100's internal gas shock holds the speaker weight under a neutral load, reducing the lift load by 75% on average. Air powered mechanism assists in raising and lowering heavy loads with minimal effort.

Heavy-duty Stand - Larger diameter, anodized tubing and metal reinforced clamps securely support more weight than other stands.

Truly Portable - Quickly folds into a compact, lightweight unit.

Extra Tall - The TS-110BL is two feet taller than the TS-100B; perfect for when you need extra height for your speakers!

Leveling-leg - Leg telescopes down to level the stand on uneven surfaces.
