

Genesis® Series GS-10 Pro

The GS-10 Pro from Ultimate Support is the perfect guitar hanger for the office, dorm, studio, music store, or anywhere else you want to display your guitars. Meant for all body styles, the GS-10 Pro is depth adjustable. The neck is fully angle adjustable in a 180 degree pattern, so you can set your guitar(s) exactly how you want them. And, whether you're mounting to drywall or slatwall (3-inch and 4-inch), the GS-10 Pro has you covered. The package includes adapter plates for both!

Self-Closing Stand

Place your guitar into the cradle of the wall mount and watch the self-closing security gate engage your guitar, safely securing it.

Slatwall Mounting

Hardware and adapter included to safely and securely mount to both 3" and 4" slatwall!

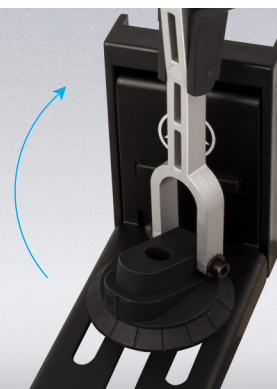

Wall Mounting

Hardware and adapter included to safely and securely mount to drywall and other wall surfaces!

Adjustable Mount

The guitar mount's neck is depth-adjustable and angle-adjustable!

Folds Up

Guitar mount folds up against the wall when not in use for convenience.
