

HyperPad LT

3-in-1 iPad Holder

Add iPad to AX-48 Pro
With the optional AX-48TA, you can add an iPad to your APEX® AX-48 Pro with the HyperPad LT!

Portrait View Stand

For desktop use, the rotatable support leg on the HyperPad LT gives you the freedom to use your iPad how and where you need - including portrait view!

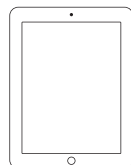

Landscape View Stand

Whether you're watching movies or working in your favorite music app, you can do so in landscape or portrait view formats with the HyperPad LT!
